Last Month's 4K Skills: We worked on our writing skills. We will also learn the difference between uppercase and lowercase letters. We will continue to instill where to begin letters and how to end them. We made our transition into lower case letters and spelling our last names. We are working toward using upper case letters and lowercase letters in the appropriate order.

This Month's 4K Skills: We will continue to practice our letter formation and start introducing the concept that letters put together form words. We will sound out words to connect this concept. Rhyming words will help better understand word and letter relations. We will also start writing our numbers.

Classroom Valentine's Party: Thank you to all the families that brought in our party treats. We enjoyed our Valentine's party and sharing our Valentines with each other.

Star of the Week: Make sure you check when your child has star of the week because each child has a certain week that is planned out for the school year.

If you have any questions please feel free to ask Ms. Gennine

Show gear: Please remember to bring all your child's snow gear. This includes hat, mittens, jacket, snowpants, boots. Also remember that we cannot wear our boots as shoes in the classroom, so please bring in a pair of shoes to wear in the classroom.
