Last Month Preschool Skills

In October we Learned all about Fire Safety and What to do when there is smoke. We get out, call 911 and Stop, Drop and Roll! Next, we learned about Pumpkins and all their parts. We also learned all about Corn and how it grows and made painted corn Crafts using different household items. Lastly, we celebrated Our Fall Festival and Created many Halloween Crafts.

Fire Prevention Week

A special thanks to the fire department for sharing their firetruck with our center. Then Children LOVED seeing all the many tools and things that were on the fire truck.

This Month's Preschool Skills

In the month of November, we will first be continuing our Halloween crafts, having our treats for our Fall Festival and Trick-or-Treating to Lincoln Village. Next, we will get into our Thanksgiving themes by talking about our families. Then, we will start our Turkey Crafts and talk about what we are thankful for. Lastly, we will learn all about Woodland animals and hibernation.

Winter Preschool Skills

In November, we will also be gearing up for and talking about Winter. We will work on our self-help skills. This includes putting on our coats and winter outerwear, all by ourselves. Please remember that we go outside almost everyday and will need Coats, hats, mittens, snow pants and boots once it snows. Please feel free to leave on your child's hook. Please make sure that all of your child's belongings are labeled so they don't get mixed up with their friends belongings. As always, we will be continuing to work on our classroom skills, such as listening ears, walking feet, nice hands and inside voices.

***Reminder:** Please check your child's cubby each night! There may be important office information and/or art projects that the children want to share with you. *

Happy Thanksgiving

CLC will be closed On Thursday November 23rd and Friday November 24th for Thanksgiving Holiday If you have any questions, please ask Miss. Sandy or Miss. Amy.

Spiekers Pumpkin Farm

We owe a HUGE thank you to Spiekers Pumpkin Farm for the fun pumpkins, gourds and Indian corn. Green Room was not able to go on the field trip, but it was so nice to have them brought back to us, a little bit of the pumpkin patch to our Classroom!

Fall Festival

Green room had a fantastic fall festival. We had a nice walk through Lincoln Village waving at all our older friends and neighbors through the windows. We also made fall Cards and pictures to share with them despite being able to visit.

Holiday Schedules

With the season approaching, we will be sending out holiday schedules for you to complete and return to us. This will give you a little advanced notice to think about what you are planning to do with your children's schedules. That way we can plan accordingly for our staffing and staff vacations.

HI MAMA APP

The excitement continues as we navigate through our new Child Care app. Everyone should have received an email inviting your family to create an account and download the app. If you haven't received your welcome email, please reach out to Sandy to make sure no one misses out. Please be patient with us as we learn and discover all the wonderful things this app is capable of bringing to our families. You should start seeing entries about your child in the app. Please feel free to respond to the Classroom teacher, however keep in mind that your child is the teacher's first priority so if you don't get a response right away they are probably interacting with your child.
