This Month's White Room Skills

We work with our little ones each day on specific goals. We are working on enjoying that super important tummy time each day. Some may even be more mobile than others and as they are ready, we encourage them to use those **large** muscles to scoot, crawl and even walk. With infants all developing at their own pace, we continue to work with them on their own individual goals that are developmentally appropriate for them.

CLC Email

CLC's email address is used for us to get communication out to all our families and staff at one time. Email is not checked as the first means of communication each day. Our phones are the best ways of communication during business hours of 6:30am-6pm. Please fill out a schedule change form which is found in each classroom as well as the office for any schedule changes. We can also complete a schedule change over the phone for you if you are unable to fill it out at the center at your child's drop off or pick up time.

Visit our Website and facebook pages

Visit our website at CLCport.com for monthly information such as our Calendars and newsletters, field trips, special visitors and dates, show and tell etc... You can also view our menus as well as print off paperwork needed such as field trip permission slips. Our facebook page features special shout outs for our friends and teachers birthdays, staff anniversaries and pictures of our current events. We also have a parent facebook group that is private, where you can connect with other parents on special activities around our community.

Summer is approaching!

With summer approaching and it getting warmer outside we encourage you to check your child's drawer to switch out their clothes! It does tend to get cold in the white room so we encourage the use of appropriate clothing with the weather! 😊

Sunscreen reminder!

With it being warmer out and everyone going outside, we encourage you to bring in sunscreen for your child! 😊

Happy Fathers Day!

We would like to wish all our dad's at CLC a Happy Fathers Day, enjoy your special day!

Summer Schedule Changes:

If you are planning on making any significant changes to your child's schedules for the summer, please fill out a schedule change form as soon as you know. This will allow us to plan ahead while staffing the classrooms and allow for staff vacations.

Do You Want to Save Money on your Daycare Expenses???

Now is the time to save, save, save!!! Join our Scrip program and have your earnings deducted from your yearly childcare expenses!! Kwik Trip offers 4% back. If you buy one gift card for \$100 every two weeks, face it we all know we use that much gas, that would earn a total of \$104!! Split that with CLC and you made \$52.....absolutely free!!! Who could pass that up??? There are over 700 retailers that participate in the Scrip program. Free tuition and free fundraising sound like a great option right? Please don't hesitate to ask either Katrina/Lori in the office or Sandy about this great program. We are hopeful to have many new families join us this year in great savings.....and again, it's all for FREE!!!! Ordering is done every other Friday and the gift cards are in your hands by Wednesday of the following week. Our next order will be on Friday, June 10th. Start saving now!!!
