September 2023

Welcome Friends

We want to give a warm welcome our new friends to the yellow room; Taylor, Aiden, Aspyn and Kayden. 😊 We are excited to get to know our new Yellow Room friends. We would like to say goodbye to our most recent graduates; Gloria, Everett, Olivia and Reagan. We are sad to see you go! They have moved into the Purple Room to make new friends and enjoy all the new adventures the purple room has to offer.

This Month's Yellow Room Skills

This month we will continue learning new activities.; using a spoon, having nice touches to our friends, walking, playing outside on the playground. We will be blowing bubbles and having fun with are friends. We will continue playing out on the playground and exercising our large motor skills. We will work on walking, kicking a ball and throwing a ball, climbing up the right way on the slide. We will continue to expand our vocabularies, by focusing on expressing needs (yes, no, more, mine, stop, please, etc.) in addition to activity-based words, such as water, splash, paint, etc. We will be working on developing our fine-motor skills by using spoons during mealtimes and painting and gluing during art time.

Weather is changing

Fall weather is upon us. The weather may be cooler. Please dress your child appropriately for going outside on the playground. Please remember to bring in a light coat, hat, and mittens for when the weather is a bit cooler. Keep in mind, it is much cooler by the lake compared to other locations. This is also a great time to check your child's drawer to make sure that they have extra clothes that are weather appropriate and the correct size.
