### Schedule Change Forms

We have many new families who have recently joined us and we wanted to take a moment to remind everyone how schedule change forms work. Please turn them in to either the office or your child's classroom "office folder". They are due the Monday at noon, prior to the week of the change. Please leave all 3 carbon copies intact and do not remove the pink parent copy. Once the office has completed the change of schedule, you will receive the pink copy in

your child's cubbie or drawer with initials on it. This is to ensure that it was seen by the office staff.

### Seroogy Fundraiser

Don't forget to stop in the office and purchase your delicious Seroogy candy bars for \$2 each. There are a lot of yummy flavors still left. We are also still selling the coffee as well. Stop by and see what you would like to get your hands on!!

### Teacher Adjustments

We will be going through some adjustments with our teacher's classrooms for the summer months. We have many staff vacations, staff lowering their hours etc.. that required the change in teachers. We know it will continue to be a great fit for our center, but wanted to give our families a heads up!!

### Parent Picnic

Mark your calendars now for CLC's 44<sup>th</sup> Anniversary celebration!! Please join us on Tuesday, June 18<sup>th</sup> from 5:30-7:00pm as we will provide dinner and some activities for the families both at CLC and throughout our community. This is a fabulous way to meet the parents of the child your child talks about each day and interact in a social and fun environment. Save the Date everyone and we hope to see you here!!

### Summer is Here...Sunscreen Time

Now that summer is arriving, we are able to go outside every day in the morning and afternoon. We are asking families to bring in a bottle of sunscreen, in its original bottle, for the sunny days. Feel free to bring bug spray in as well if your child needs it. You may also leave a light coat on your child's hook if needed as well as a sunhat if your child needs to wear one. We would also like to encourage you to check your child's supply of extra clothing and make sure they are both appropriate for the season and in the correct size.

### Water Bottles

We are asking families to please bring a reusable water bottles for their child to use while we are outside. This makes it super convenient for us to keep hydrating them during our warm and sunny days. You will also be required to take the water bottles home each night to sanitize and disinfect them so you can return them the following day of attendances. Thank you so much and the sooner you would like to bring them the better.
