This Month's Toddler Skills

This month we will be learning all about our new classroom and the friends we will share it with. The first week will be a laid-back week where the children can do a lot of free play, learning all about their new environment. The second week is our All About Me week where we will learn our names, how tall we are and tell our friends about our family. *Please bring in a family picture that week.* The third week will be all about our five senses and how we use them. The fourth week we will venture into fall festivities learning about apples which will be following into our last week where we are learning about fall leaves and colors. A few other things we will be teaching the children is the importance of washing our hands and drying them properly as well as using our utensils at meal time.

Weather Changes

As fall weather approaches please bring a sweatshirt or thin jacket for your child to wear outside if needed. Feel free to leave these here on your child's coat hook.

Children Cubbies

Please check your child's cubby at the end of each night as there might be some important papers in there or you can collect the wonderful art projects that your child has created.

As A Reminder..

CLC will be closed Monday, September 4th in observance of Labor Day. If Monday is a regularly scheduled CLC day for your child, a vacation day will posted to your account. Enjoy!

Important Info

- New tuition rates go into effect on September 4th
- Grandparents Day is September 10th. If your child's grandparents would like to join them for lunch the week of September 11th through the 15th, just let Miss Amber know so we can plan accordingly
