### Daylight Savings time:

Spring is coming.... It's time again to spring FORWARD! Remember to move your clocks AHEAD an hour on Sunday March 12<sup>th</sup>, 2023.

### Last Month's Preschool Skills

Last month we had much fun practicing having good manners and handing valentines out to all our friends. We practiced taking turns and thanking everyone for thinking of us. We worked hard on recognizing our colors, as we continued with our fun circle time that everyone enjoys participating in. We also talked about how to brush our teeth! A good time to schedule their first visit is at age 3 so be prepared. During our fairy tale week, we enjoyed many old tales. As always, we continued to work on following our classroom rules and using our manners throughout the day.

### This Month's Preschool Skills

This month we will be working on silly rhyming with many fun books from the beloved Dr. Seuss. We will also enjoy talking about our pets that live with us at our homes. We will continue to work on using our fine motor skills with our pincer grasp when we glue things together as well as strengthening our finger muscles while we color our art projects. We then move onto our shamrock week, where everything is going to be green!! Don't forget to wear green on Thursday, March 17<sup>th</sup>. During our rainbow week we will focus on naming colors of the rainbow. Many of them know their colors already, but it's still good to practice! Some friends are able to match two color samples, but not verbalizing the correct color name yet so we will continue to work with them on this. Our final week we will be talking about the lovely changing Wisconsin weather we have. On the days we are unable to go outside due to the weather, rest assured we are doing some fun large motor activities indoors. Dancing is a fan favorite.

### Classroom Valentine's Party

Thank you to everyone who participated in our valentine party. We had some yummy snacks and the children truly enjoyed handing out valentines to all their friends!

### Thank You!!!

We want to thank everyone for bringing their winter gear each day. We still go outside with everything on, whether there is snow on the ground or not. Having all our gear on keeps us toasty warm.
