During the months to come, we will be having a "Star of the Week" for each child. At the beginning of each month there will be a handout of questions about your child and their favorite things. We will be displaying them on our star of the week board in the classroom for an entire week. Your child will be encouraged to bring pictures to display, the pictures will be safely returned at the end of the week. We are excited for the year ahead and learning about our new friends. If you have any questions, please feel free to ask Miss Stacey.

## Reminders:

1. Please check calendars daily.
2. Keep extra clothes on hooks and be sure they are seasonal and appropriate size.
3. Breakfast is at 8:30am, lunch is at 11:30am and snack is at 2:30pm. Please feed your child at home if they will not be here by 8:30am.
4. Dress accordingly for the weather. We do TRY to go outside each day and we need your children to be comfortable.
5. Make sure you write your child's name on everything they own.

## Preschool Classroom

The preschool classroom will be a very busy and noisy place. It may look like lots of play is going on, but in all that playing much learning will be happening. Preschool children learn best when they are playing, moving, touching, talking, and exploring. A typical day in our classroom will have a flexible, but predictable schedule.

**\*Reminder:** Please check your child's cubby each night! There may be important office information and/or art projects that the children want to share with you.

## Special Thanks

We would like to offer a special thanks to all the College girls that came and joined us this summer. We would like to wish them good luck as they return to school and hope to see them again during their time off, they will be missed!
