### Last Month's Preschool Skills

We participated in some fun activities last month. First, celebrated The Week of the Young Child. We worked together with our friends and

families to create and participate in some fun activities and projects. We created our own spring baskets and colored eggs to celebrate spring. We also had fun at our Spring Fling and participated in a Classroom egg hunt. We also learned about recycling and how to take care of our planet. We had fun recycling and using recycled products. Lastly, we learned about all the different kinds of weather that we experience here living in Wisconsin during the spring. As always, we continued to work on using our listening ears with friends as well as adults. We wrote our names each day.

### This Month's Preschool Skills

This month we will be celebrating our mom's as we make some pretty cool crafts

for her. We will also be practicing our fine motor skills as we put together flowers using glue and strengthening our fingers while cutting with scissors. We will celebrate Cinco de Mayo and learn some Spanish words as we learn about other cultures. We will continue with gardening and learn how fruits and vegetables grow. We will experiment with growing some vegetables by planting seeds in terrariums. Finally, we will look in our back yard and discover the different bugs we can find there. We will learn more about how they live and go on a bug hunt at school. We will work on the letters J, U, and Z.

### Happy Mother's Day

We would like to wish all the mom's, grandmas, and aunts in the Red Room a very special Mother's Day. To celebrate, we would like to invite any moms, Grandmothers, or Aunts to come and share a meal with us the week of May 8<sup>th</sup>. Please let Miss Heather know when you are able to attend.

### Children Cubbies:

Please check your child's cubby at the end of each night as there might be some important papers in there or you can collect the wonderful art projects that your child has created.

### Sunscreen Reminder

Soon it will be that time of the year again when the children will be spending more time outside, weather permitting. We ask that you please bring in a bottle of sunscreen. We will apply the sunscreen each morning before we head outside, and then again in the afternoon.

### Summer Schedule Changes

Before we know it, summer will be here if you are planning on making any significant changes to your child's schedule for the summer months, please fill out a schedule change as soon as you know. This will allow us time to plan ahead while staffing classrooms and allow staff vacations. Any questions please don't hesitate to ask Katrina.

### CLC Closed

As a reminder CLC will be closed on Monday, May 29<sup>th</sup> in observation of Memorial Day. If your child is normally scheduled on Monday a vacation day will be automatically posted to your account. Any questions, please stop in the office and talk with Katrina or Sandy.

### Fundraiser

Seroogy bars are available for sale in the office for \$2.00. Stop in to check out the flavors and show your support for CLC while getting a much loved, delicious treat after a long day.

### Upcoming News:

A letter was sent home the last week of April letting every family know that CLC has decided to close on July 3<sup>rd</sup> as well as July 4<sup>th</sup>. As staff has been working hard to provide the expected high quality child care it often finds them working 50+ hour weeks and we hope that this day will allow them some extra time to enjoy their families.
