November 2023

Happy Birthday

We would like to wish a very happy 4th birthday to the following friend:

- **Eddie on the 7th**

Hope you have an amazing day!!!

Curriculum Units and Show N Tell

Week 1: Nocturnal Animals: Bring a nocturnal animal on the 3rd.

Week 2: Scarecrows: Bring a scarecrow item on the 9th.

Week 3: Feasting with Family: Bring a picture of your family at Thanksgiving on the 16th.

Week 4: Talking Turkey: No Show N Tell for Thanksgiving week.

Week 5: Go Away Germs: Bring a smelly soap to practice washing our hands on the 30th.

Last Month's Preschool Skills

We started the month off learning about fire safety. We practiced our large motor skills while doing the stop, drop and roll technique. The second week we learned about fall and leaves. We explored fun projects with cutting, gluing and the assortment of fall colors. We also talked about why the trees lose their leaves in fall. The third week we had fun with pumpkins. We looked inside and learned about how they grow. We learned the difference between Jack O' Lanterns and plain pumpkins. Lastly, we weren't scared during trick or treat by playing with some friendly monsters.

This Month's Preschool Skills

We will have a very busy month in November. First, we will learn about nocturnal animals, animals that are only active at night. We will discover why they prefer to be out at night and what kind of animals are nocturnal.  Second, we will learn about shapes with scarecrows. We will learn why farmers use them. With the holidays fast approaching, we will work on table manners and practice eating nicely. We will learn about the different foods that we eat this time of the year and what food groups they belong too. We will have some fun with turkeys during the week of Thanksgiving. We will also talk about what it means to be thankful and what we are thankful for. Lastly, we will experiment with germs, learn what they are, and how we can keep ourselves safe from them. We will continue to write our names tracing them and as each child is ready, we will be slowly taking away the dotted lines. If you practice at home please remember: *First letter Upper Case and the rest of the letters Lower Case.*

Happy Thanksgiving

CLC will be closed on Thursday, November 23rd and Friday November 24th for the Thanksgiving holiday. If you are normally here on Thursday it will be used as a vacation day. We hope that everyone has a fun filled holiday and that you are all able to enjoy your 4-day weekend.

Book Orders

Each month we have *Scholastic* book orders available to anyone that is interested. Ordering can be done through the old fashion order forms and payment in the form of a check or we highly encourage you to check out our simple and easy on-line ordering format. Orders placed on-line earn free books for the classrooms and sometimes even free books for your child at home!

Speikers Pumpkin Farm

We owe another HUGE thank you to Speikers Pumpkin farm for the fun pumpkins, gourds and Indian corn. It was so fun to ride the bus and go on a field trip again. The children were very well behaved and we had a blast.

Fall Festival

Red Room had a fantastic fall festival. We had a nice walk-through Lincoln Village waving at all our older friends and neighbors through the windows. We also made fall cards and pictures to share with them despite being able to visit.

HI MAMA APP

The excitement continues as we navigate through our new child care app. Everyone should have received an email inviting your family to create an account and download the app. If you haven't received your welcome email, please reach out to Sandy to make sure no one misses out. Please be patient with us as we learn and discover all the wonderful things this app is capable of bringing to our families. You should start seeing entries about your child in the app. Please feel free to respond to the classroom teacher, however keep in mind that your child is the teacher's first priority so if you don't get a response right away they are probably interacting with your child.

Holiday Schedules

With the season approaching, we will be sending out holiday schedules for you to complete and return to us. This will give you a little advanced notice to think about what you are planning to do with your children's schedules. That way we can plan accordingly for our staffing and staff vacations.

Upcoming Important events and dates to REMEMBER

- November 3rd : Daylights Savings time
- November 7th : Vision Screening
- November 23rd : CLC Closed
- November 24th : CLC Closed
- December 25th : CLC Closed
- January 1st : CLC Closed
