Happy Birthday

We would like to wish a very happy 3rd birthday to the following friends. Hope your days are amazing!!

- Freddy on the 7th
- Olivia on the 11th

Curriculum Units and Show N Tell

Week 1: *Dinosaurs*

Week 2: *Outer Space*

Week 3: *All About Dad*

Week 4: *Summer Picnic*

Week 5: *In the Forest*

Last Month's Preschool Skills

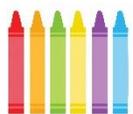

Last month we learned about all the different changes that happen in springtime, from all

the different flowers to the birds and changes in the weather. In the second week we learned about all the different kind of animals that live on the farm and in the fourth week we learned about all the fun things associated with camping in the outdoors.

This Month's Preschool Skills

This month we will be learning about dinosaurs, outer space, what kind of animals live in the forest and the many different types of food associated with summertime. We will also be spending a week making special art crafts for our dads. We will continue to work with each child on their names as well as practicing using our fine and gross motor skills. We will also be working with the children on the importance of being nice to one another and how to share our toys.

Look What We Made

Feel free to walk around the classroom at drop off and pick up to see what your child has been creating. At the end of the month all of your child's art

work will be in their cubbies for them to take home.

Father's Day

We would like to wish all our CLC dads a very Happy Father's Day!

Children Cubbies:

Please check your child's cubby at the end of each night as there might be some important papers in there or you can collect the wonderful art projects that your child has created.

Sunscreen Reminder

Soon it will be that time of the year again when the children will be spending more time outside, weather permitting. We ask that you please bring in a bottle of sunscreen. We will apply the sunscreen each morning before we head outside, and then again in the afternoon.

Summer Schedule Changes

If you are planning on making any significant changes to your child's schedule for the summer months, please fill out a schedule change as soon as you know. This will allow us time to plan ahead while staffing classrooms and allow staff vacations. Any questions please don't hesitate to ask Katrina or Lori.

Water Bottle Reminder

Please bring a reusable water bottle with your child everyday, as the weather becomes warmer we want to make sure everyone stays hydrated. The water bottles will need to be taken home every night for proper washing.

No-Open Toe Shoes

CLC policy states that no child should wear open toe shoes or sandals of any kind while at CLC. We agree that they are cute and children love them;

unfortunately, they are also the cause of most of the skinned-up knees, elbows, noses and toes. The children can easily slip their feet off the sandals on the hard surfaces on the playground areas. Thank you for your cooperation.
