Orange Room Is Open

We would like to welcome all of our friends that have come to join us in orange room. Some are new to CLC and some graduated from the Purple room. We are very excited to meet our friends and learn all about them and their families.

This Month's Skills

This month we will be learning about apples, grandparents' day, all about Fall, and practicing our colors. We will continue to work on cleaning up our toys when we are done playing with them, as well as using our table manners. This month our focus will be on working on sharing toys with other friends.

Look What We Made

Feel free to walk around the Classroom at drop off and pick up to see what your child has been creating. At the end of the month all of your child's art work will be in their cubbies for them to take home.

Children Cubbies:

Please check your child's cubby at the end of each night as there might be some important papers in there or you can collect the wonderful art projects that your child has created. As fall is approaching please also check to make sure that your child has extra clothing that is size and weather appropriate. These little ones grow so fast we just can't keep up, but when accidents happen we want them to be comfortable.

Fall Schedule

The school year is approaching quickly and we are looking into our staffing of the classrooms. Therefore, we need to know if your child(ren) schedules will be changing at all this fall and we are asking you to please fill out a schedule change form if you have any changes to be made. We also will be sending out a reminder toward the middle of the month so if you are unsure as of now you can fill out the schedule change toward the middle of the month. Thank you for your understanding.
