### Last Month's Preschool Skills

Last month we learned about some community helpers such as the Dentist, Doctors, and Mail Carriers. We learned how to take care of our teeth and keep our smiles healthy. We learned how mail is delivered to our homes and practiced our address. It is important to know where we live in case of emergencies. We talked about how it is nice to include everyone as we passed out valentines to our friends at our party.

### This Month's Preschool Skills

We have some fun activities planned for this month. We will learn about the author and illustrator, Dr. Seuss whose birthday is celebrated March 2<sup>nd</sup>. We will explore the many rhyming words that he used in many of his books. We will discover how rainbows are created and review our colors. Leprechauns may leave us some treasure to find in our classroom as we learn about these mischievous creatures. Many of our friends are curious about Dinosaurs and want to learn more about how they lived long ago. We will talk about how Paleontologists learn about Dinosaurs by looking at bones and fossils. We will talk about our furry family members and show off pictures of our pets. We will talk about the responsibilities of owning a pet, and will make our own pet rocks. We will continue to write our names each day and some of the children are getting pretty good at it! We will be working on the letters P, B, R, and A.

### Valentine's Day Party

Thank you to all the families who participated in our Valentine exchange and party. The children were very patient and polite while each child handed out their cards. It was an excellent day for practicing our manners while having some fun. We also appreciated all the yummy treats!

### Needed items

\*\*\*Please remember to bring your winter gear each day.

Snow pants, boots, hats and WARM mittens are a must!!! We do go outside on a daily basis and the thin finger gloves do not keep their little fingers warm. Feel free to leave these items at CLC so you do not have to remember to bring them each day.

**\*REMINDER:** Please check your child's cubbie each night!

There may be important office information and/or art projects that the children want to share with you. \*

### Daylight Savings

Spring is just around the corner and it's time to spring ahead. Remember to move your clocks AHEAD one hour on March 12<sup>th</sup>.

### Happy St. Patrick's Day!

We would like to wish all our families a Happy St. Patrick's Day! Everyone is Irish on this day so we encourage everyone to wear some green on Tuesday, March 17<sup>th</sup>.

### Dentist Visit

A special visitor from Bullard's Family Dentistry will be visiting both Red and Fish Rooms the morning of Monday, March 20<sup>th</sup>. The children will learn about dental health while singing songs and playing music. They will also receive a tooth care package to take home with them. Don't forget to make an appointment for your child to see their dentist at least twice a year.

### LOOKING AHEAD

Spring will soon be arriving and we are looking forward to some nice weather and hoping to get outside more often. We will also be celebrating Spring by holding our Annual Spring Fling Party. Please watch for details to come!

### Schedule Change Forms

Please return any schedule change forms the Monday prior to the week of the changes. We will try to do our best to accommodate you, but if the forms are turned in past that Monday, we cannot guarantee it.
