Last Month's Preschool Skills

Last Month we continued to work on learning the classroom rules and the routine in Green Room. We focused on listening ears and walking feet.

This Month's Preschool Skills

This month we will continue working on following a new routine in the Green Room. We will be exploring how June is Dairy month and where milk comes from. What animals live in a Zoo and the noises that they make. Then we will learn all about Construction. And then lastly we will be going on some backyard adventures while at CLC.

***REMINDER:** Please check your child's cubbie each night! There may be important office information and/or art projects that the children want to share with you.*

Happy Father's Day

We would like to wish all the dads, grandpas, and uncles in the Green Room a VERY special Father's Day! In honor of you we would like for your child to bring in a picture of Daddy and me on Thursday June 16th to display in our classroom.

CLC Closed

CLC will be close Monday July 4th in observance of Independence Day. If Monday is a regularly

scheduled day a vacation day will be posted to your account. Enjoy!!

Sunscreen Reminder

Soon it will be that time of the year again when the children will be spending more time outside, weather permitting. We ask that you please bring in a bottle of sunscreen. We will apply the sunscreen each morning before we head outside, and then again in the afternoon.

Summer Schedule Changes

If you are planning on making any significant changes to your child's schedule for the summer months, please fill out a schedule change as soon as you know. This will allow us time to plan ahead while staffing classrooms and allow staff vacations. Any questions please don't hesitate to ask Katrina or Lori.

Water Bottle Reminder

Please bring a reusable water bottle with your child everyday, as the weather becomes warmer we want to make sure everyone stays hydrated. The water bottles will need to be taken home every night for proper washing.

No-Open Toe Shoes

CLC policy states that no child should wear open toe shoes or sandals of any kind while at CLC. We agree that they are cute and children love them; unfortunately, they are also the cause of most of the skinned-up knees, elbows, noses and toes. The children can easily slip their feet off the sandals on the hard surfaces on the playground areas. Thank you for your cooperation.
