Curriculum Units

Week 1: *All about Halloween*

Week 2: *Scarecrows*

Week 3: *Let's Talk Turkey*

Week 4: *Pumpkin Pie is Yummy*

Week 5: *Stocking Surprises*

Last Month's Preschool Skills

Last month we learned about pumpkins, fire safety, spiders, and all about Halloween! We worked on sharing toys with friends and expressing our feelings using our words instead of our hands.

This Month's Preschool Skills

This month we will be learning about scarecrows, turkeys, pumpkin pie, and stockings for Christmas! We will be working on classroom routines and how to ask for help when we need something or can't do something. We will continue to focus on cleaning up our toys after we are done playing with them, as well as keeping our toys in their designated centers.

Happy Thanksgiving

CLC will be closed on Thursday, November 23rd and Friday November 24th for the Thanksgiving holiday. If you are normally here on Thursday it will be used as a vacation day and Friday is a free day. We hope that everyone has a fun filled holiday and that you are all able to enjoy your 4 day weekend.

Visit our Website and Facebook pages

Visit our website at CLCport.com for monthly information such as our calendars and newsletters, field trips, special visitors and dates, show and tell etc... You can also view our menus as well as print off paperwork needed such as field trip permission slips. Our Facebook page features special shout outs for our friends and teacher's birthdays, staff anniversaries and pictures of our current events. We also have a parent Facebook group that is private, where you can connect with other parents on special activities around our community.

Book Orders

Each month we have *Scholastic* book orders available to anyone that is interested. Ordering can be done through the old fashion order forms and payment in the form of a check or we highly encourage you to check out our simple and easy

on-line ordering format. Orders placed on-line earn free books for the classrooms and sometimes even free books for your child at home!

Fire Prevention Week

A special thanks to the fire department for sharing their firetruck with our center. Then children LOVED seeing all the many tools and things that were on the fire truck.

Spiekers Pumpkin Farm

We owe another HUGE thank you to Spiekers Pumpkin farm for the fun pumpkins, gourds and Indian corn. Once again we were super sad we could not visit, but just to be able to bring a little bit of the pumpkin patch to our room was so much fun!

Fall Festival

Orange room had a fantastic fall festival. We had a nice walk through Lincoln Village waving at all our older friends and neighbors through the windows. We also made fall cards and pictures to share with them despite being able to visit.

Holiday Schedules

With the season approaching, we will be sending out holiday schedules for you to complete and return to us. This will give you a little advanced notice to think about what you are planning to do with your children's schedules. That way we can plan accordingly for our staffing and staff vacations.

HI MAMA APP

The excitement continues as we navigate through our new child care app. Everyone should have received an email inviting your family to create an account and download the app. If you haven't received your welcome email, please reach out to Sandy to make sure no one misses out. Please be patient with us as we learn and discover all the wonderful things this app is capable of bringing to our families. You should start seeing entries about your child in the app. Please feel free to respond to the classroom teacher, however keep in mind that your child is the teacher's first priority so if you don't get a response right away they are probably interacting with your child.
