

# White Room Newsletter

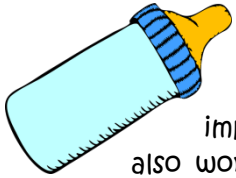

## September 2023

### Welcome!

We would like to welcome Luke who joined us earlier last month! We cannot wait to get to know you!

### This Month's White Room Skills

We work with our little ones each day on specific goals. We are working on enjoying that super important tummy time each day and also working on holding their own bottles along with encouraging and being introduced to new solid foods! With infants all developing at their own pace, we continue to work with them on their own individual goals that are developmentally appropriate for them. If there is something that you are working on at home or something you would like us to work on please let Miss Alisha know and she can add that skill to their individualized goal sheet.

### Visit our website and facebook pages

Visit our website at [CICport.com](http://CICport.com) for monthly information such as our monthly calendars and newsletters, field trips, special visitors, and dates, show and tell etc... You can also view our menus as well as print off paperwork needed such as field trip permission slips. Our facebook page features special shout outs for our friends and teachers' birthdays, staff anniversaries and pictures of our current events. We also have a parent facebook group that is private, where you can connect with other parents or find out about our special activities around our community.

### Childrens Drawer

Please remember to check your child's drawer daily as there may be important paperwork. You also can collect the wonderful pieces of artwork your child makes! 😊

As Fall is approaching, please make sure that your child has weather appropriate clothing. We know that those little ones grow so quickly, we ask that you check their change of clothing often to insure that they have clothing that still fits them.

### Fall Schedule Changes:

Before we know it, fall will be here. If you are planning on making any significant changes to your child's schedule for the fall months, please fill out a schedule change as soon as you know. This will allow us time to plan ahead while staffing classrooms and allow staff vacations, If you have any questions, please don't hesitate to ask Amy, Katrina or Sandy.
