### Last Month's Preschool Skills

Last month we learned the importance of taking care of our teeth. We had fun making and sharing Valentines. We learned about Dinosaurs, how they lived and what they ate. We explored Healthy Habits to make us big and strong. We also continued to work on learning the classroom rules and the routine in Green Room. We focused on listening ears and walking feet.

### This Month's Preschool Skills

This month we will continue working on following a new routine in the Green Room. We will be exploring the wonderful world of

Dr. Seuss. Next, during Leaping Leprechauns, we will be working on color recognition. During Spring Time we will be learning about the weather and exploring seasonal changes. In our Bug unit we will be learning about some of the friendlier bugs that we see in the world around us.

**\*REMINDER:** Please check your child's cubby each night! There may be important office information and/or art projects that the children want to share with you. \*

### Illness Reminder

The flu season isn't behind us yet, and there are still MANY viruses out there lurking around. If you notice any changes in your child's health, we politely ask that you take extra precaution before bringing them to CLC. We want to protect not only your family's health, but also those in the classroom and the teachers. The following are just a few of CLC's policies when we feel your child is too ill to attend:

- Fever of 100F or higher
- Vomiting
- Consecutive loose/runny/watery or diarrhea like stools
- The staff feel they are not adequately able to care for your child without compromising the care of the other children also in their care at the time.

*Keep in mind, that a child must be symptom free or on an antibiotic for 24 hours. If the child was sent home with a fever, that child must be fever free for 24 hours WITHOUT fever reducing medications. We understand the need to work, and this time of year can be frustrating with all the illnesses, but we are trying to keep everyone as happy and healthy as possible! Thank you for your cooperation!*

Daylight Savings Time Remember to reset your clocks one hour ahead on Saturday the 11th! This also means we will be going outside two times a day weather permitting. Our Classroom outside times are, 10am-11am and 4-5pm.
